

# PRIVACY POLICY

At the Investor Confidence Project, we are committed to safeguarding and preserving the privacy of visitors to our website and our clients.

This Policy explains what happens to any personal data that you provide to us, or that we collect from you whilst you visit our site and how we use cookies on this website.

We do update this Policy from time to time so please do review this Policy regularly.

## Information that we collect

In running and maintaining our website and newsletter we may collect, store and process the following data about you and from you:

Information about your use of our site including details of your visits such as pages viewed and the resources that you access. Such information includes traffic data, location data and other communication data.

We may use cookies where appropriate to gather information about your computer in order to assist us in improving our website.

You can adjust the settings on your computer to decline any cookies if you wish. This can be done within the “settings” section of your computer. For more information please read the advice at [AboutCookies.org](http://AboutCookies.org).

If you sign up for our newsletter, which is administered through MailChimp, we will store some of your information, including your email address, IP address and certain information about the links you click on within the emails we send you.

## How we use data collected

The information we collect is used to analyse trends, administer the site, track users' movement and gather broad demographic information for internal use.

If you have consented to receive marketing communications from us we will use your contact information for this purpose. You are always free to unsubscribe from receiving communications at any time by following the instructions contained within the email or by emailing us. We will never rent or sell your data.

The sole responsibility for the content of this document lies with the authors. It does not necessarily reflect the opinion of the European Union. Neither the EASME nor the European Commission are responsible for any use that may be made of the information contained therein.*

## Security

We are committed to ensuring that your information is secure. In order to prevent unauthorised access or disclosure, we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.

## Access to your information and correction

You have the right to request a copy of the information that we hold about you. If you would like a copy of some or all of your personal information, please email or write to us. (We reserve the right to request two forms of ID before releasing any information).

## Links to third party websites

We have included links to third party sites for your use and reference. We are not responsible for the privacy policies on these websites. You should be aware that the privacy policies of these sites may differ from our own.

## Changes to this privacy statement

The contents of this statement may be altered at any time, at our discretion.

If you have any questions regarding the privacy policy of the Investor Confidence Project then please contact us.
